Frank,

I strongly endorse Scott's position because to do otherwise could be opening Pandora's box.

MEMORANDUM FOR : Deputy Director of Central Intelligence  
FROM : S.D. Breckinridge  
SUBJECT : HSCA Request for Testimony on CIA Files

1. Action Requested: That you approve the recommendation in paragraph 4 for the Agency to prepare a reply to the HSCA declining its invitation to testify on Agency files.

2. Background: On 25 August the undersigned was asked by Mr. Cornwell if CIA could introduce testimony concerning its files. This request was forwarded to the Deputy Director for Operations by a memorandum of that date (Tab A attached). On 1 September the Acting Deputy Director for Operations agreed in a recommendation that the Agency decline the invitation (Tab B attached).

3. The basic objection to testimony on this subject is that it would require a public description of the Agency's filing system, standards and procedures in effect, and some exposure to internal organizational arrangements associated with that filing system. The general feeling is that such a briefing would lead to the revelation of classified intelligence methods which the Agency must protect.

4. Recommendation: It is requested that you approve a reply by me declining the invitation of the Agency to testify on this subject.
